

Afri-CAN CHARITY EARLY CHILDHOOD DEVELOPMENT (ECD) CENTRES

IMPACT SUMMARY AS AT SEPTEMBER 2017

ABOUT OUR ECD PROGRAMME

Under our umbrella Code of Conduct we construct new government registered Early Childhood Development Centres in the townships which are given to the teachers. We provide scientifically formulated age-specific nutritious meals, designed to provide the optimal nutrition required to ensure healthy development in children during this fundamental stage of their lives. WASH education, educational tools and teacher training form part of the programme as well as mentoring and evaluation.
